Policy

- All decisions made by Nova Institute with regard to student transfer requests will be made in accordance with this policy and procedure, will be fair and take into account the student's individual circumstances and any other relevant factors.

1. Transferring from another registered provider

- Nova Institute will not knowingly enrol a student wishing to transfer from another registered provider's course prior to the overseas student completing six months of his or her principal course unless one or more of the following conditions apply:
 - the releasing registered provider or the course in which the student is enrolled has ceased to be registered;
 - the releasing registered provider has had a sanction imposed on its registration by the ESOS agency that prevents the student from continuing his or her principal course at that registered provider;
 - the releasing registered provider has agreed to the overseas student's release and recorded the date of effect and reason for release in PRISMS;
 - any government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change.

2. Transferring to another registered provider

- For Nova Institute students seeking to transfer to another registered provider's course of study prior to completing six months of their principle course, the transfer request will be assessed and granted in any of the following circumstances:
 - the student will be reported because they are unable to achieve satisfactory course progress at the level they are studying, even after engaging with Nova Institute 's intervention strategy to assist the overseas student in accordance with Standard 8 (Overseas student visa requirements).
 - there is evidence of compassionate or compelling circumstances.
 - Nova Institute fails to deliver the course as outlined in the student agreement.
 - there is evidence that the student's reasonable expectations about their current course are not being met.
 - there is evidence that the student was misled by Nova Institute or an education or migration agent regarding Nova Institute or its course and the course is therefore unsuitable to their needs and/or study objectives.
 - an appeal (internal or external) on another matter results in a decision or recommendation to release the student.
- A transfer to another course will not be granted where:
 - The transfer may jeopardise the student's progression through a package of courses.
 - The student has recently started studying the course and the full range of support services are yet to be provided or offered to the student. In this case, the student will be requested to wait a further 4 weeks before applying for a transfer to another registered provider during which time the full range of support services will be provided to the student.
 - The student is trying to avoid being reported to DET for failure to meet the provider's attendance or academic progress requirements.
 - There are no legitimate compassionate or compelling circumstances.
